

DEPARTMENT OF COMMERCE
BUREAU OF FISHERIES

Seattle

March 29, 1920.

Memorandum for Alaska Office:

Replying to office memorandum of March 23: The Columbia Salmon Company could give no information regarding their operations in Alaska, as the only one who would have this information is the bookkeeper. This man has returned to Ketchikan, and we have therefore written a memorandum to the company to have the bookkeeper furnish the additional data required at an early date.

Harry J. Christoffery

Assistant Agent.
